## Supplementary Regulations

### Introduction

Welcome to the Sprint Royale 2010. Again we are pleased to be able to return to Eelmoor Driver Training Area, one of our 'local' sprint venues owned by the MOD.

As in previous years, we will be placing great emphasis on producing an event that is fun for everyone involved, competitors, organisers and marshals alike. We would like to take this opportunity to point out that this event will be running to the new Class structure introduced this year, so we hope that you will know which class you wish to enter with your car. It may not necessarily be the same as last year. We have had to increase the entry fee by £5.00 to cover increases in venue hire, recovery and paramedic costs. The good news is that we are prepared to give back £5.00 to any driver who brings with them someone who is new to the sport and is prepared to marshal for the day. As ever, we will supply anyone who does marshal with a voucher that they can use at the food wagon at lunch time.

We are also offering up to four timed runs again (depending on the weather!) to increase the value for money. As usual the entry limit is 80 and we would ask you to put your entries in as soon as possible to ensure a viable event. Unfortunately we are unable to accept single-seaters due to the understandable restrictions of the Track Licence.

If you enjoy the event, but are not looking to compete, then please volunteer your services as a marshal. Our Chief Marshal will be more than happy to hear from you if you are interested and do not forget the extra Championship points to be gained from the one event that you have to officiate on.

If you also enjoy other forms of Motorsport then why not visit the FDMC website at [www.farnboroughdmc.org.uk](http://www.farnboroughdmc.org.uk) . If you can do it in Motorsport then FDMC is more likely involved in it somewhere. Log on and find out.

### The Organisers
